# EOSC Symposium 2019 – “Where the EOSC makers & shakers meet”

🕒 5 months ago

0

Researchers, gather! The European Open Science Cloud symposium is coming up and there is a great longing to understand what the use cases are the initiative can support. The call for posters and contributions is still opened until the 25th of October.

Make sure to register soon as a full house is expected! Will we meet you in Budapest on the 26-28 of November? Visit the website to learn more, register and submit your valuable contribution: <https://www.eoscsecretariat.eu/eosc-symposium>.
